Complement and
Employment Stability*

**[NEW and renumber subsequent]
Faculty Complement**

2.01 A Faculty complement is calculated as the sum of

- i) the number of faculty (professor, instructor, counsellor, and librarian) positions currently filled by full-time members, and**
- ii) the number of 3 hour credit courses (or equivalent) assigned to contract faculty, divided by 5**

as of the effective date of this Collective Agreement.

“Contract faculty” is defined as the hiring of, or the person who is hired on a contract, to work on a part-time, partial-load, or sessional basis.

2.01 B The Employer shall maintain a minimum of 70% full-time faculty complement and shall fill, with another full-time employee within six (6) months all vacancies that arise as a result of the resignation, retirement, dismissal, administrative appointment, death, or other vacating of a position, by a full-time member.

*Establishes a minimum
ratio of full-time faculty
and ensures stability. This
is also in keeping with
similar language at other
colleges in Canada.*

2.01 C Positions which are temporarily vacant as a result of lay-offs during a period of financial exigency as provided for in article 27.05 may be eliminated only after the end of the recall period as defined in article 27.09 B, C, and D.

*The Union recognizes that
Colleges may experience
periods of financial
difficulty.*

Reclassification

2.02 A The Colleges shall not reclassify instructors as technologists and shall not fill instructor positions that become vacant with technologists.

Protects faculty work.

Contract Positions

2.03 A The College will give preference to the designation of full-time positions as regular rather than ~~partial-load teaching contract~~ positions, as defined in ~~Article 26~~ **Article 2.01 A, ~~Partial-Load Employees~~, subject to operational requirements as **related to** the quality of the programs, ~~their economic viability~~, attainment of the program objectives, the need for special qualifications and the**

market acceptability of the programs to employers, students, and the community. **The College will not abuse the usage of contract appointments by failing to fill ongoing positions as soon as is possible, subject to operational requirements related to the quality of the programs, attainment of program objectives, the need for special qualifications, and enrolment patterns and expectations.**

2.03 B

The College will not abuse the usage of sessional appointments by combining ~~sessional with partial-load~~ sessional service with **part-time and/or** partial-load service, thereby maintaining an employment relationship with **between the employee and** the College ~~in order to circumvent~~ **and thereby circumventing** the completion of the minimum 12 months sessional employment in a 24 month period.

Improves conversion of contract into full-time positions.

2.03 C

If the College continues a position beyond one full academic year of staffing the position with sessional **contract** appointments, the College shall designate the position as a regular full-time bargaining unit position and shall fill the position with a full-time member of the bargaining unit as soon as a person capable of performing the work is available for hiring on this basis.

Improves conversion of contract into full-time positions.

No Contracting Out

Article 11 WORKLOAD

11.01 A 1 Each teacher, **professor, instructor, counsellor and librarian** shall have a workload that adheres to the provisions of this Article.

Specifies all faculty are covered by Article 11.

New

11.01 A 2 All work that is performed by a professor or instructor, during teaching periods, for the College shall be recorded on the Standard Workload Form (SWF). This work includes but is not limited to teaching, research, curriculum development and revision, attending College promotional and marketing events, attending meetings, coordinating, supervising student projects and work, program reviews and reports, participation in committees, and mentoring faculty.

All faculty work should be assigned and recorded on the SWF during teaching periods to reduce volunteerism and accurately represent all of the work that faculty do. Hidden voluntary work allows the Colleges to have fewer full-time faculty than what is actually required.

11.01 B 1 Total workload assigned and attributed by the College to a professor or instructor **past the probationary period** shall not exceed 44 hours in any week for up to 36 weeks in which there are teaching contact hours for teachers **professors or instructor** post-secondary programs and for up to 38 weeks in which there are teaching contact hours in the case of teachers **professors or instructor past the probationary period** not in post-secondary programs.

Strengthens protections for probationary faculty.

For probationary professors or teachers, total workload assigned and attributed by the College shall not exceed 42 hours in any week for up to 36 weeks in post-secondary programs and for up to 38 weeks for those not in post-secondary programs.

This cap of 42 hours already exists at Niagara College.

The balance of the academic year shall be reserved for complementary functions and professional development.

Workload factors to be considered are:

- (i) teaching contact hours
- (ii) attributed hours for preparation
- (iii) attributed hours for evaluation and feedback
- (iv) attributed hours for complementary functions

Expands the factors which are to be considered by WMG in the case of workload complaints, and includes Counsellor and Librarian workloads.

(iv) nature of subjects to be taught, including type of program (e.g. apprenticeship, certificate, diploma, advanced diploma, degree);

(v) level of teaching and experience of the faculty member

- and availability of professional and technical support and other resource assistance;**
- (vi) size and amenity of classroom, laboratory or other teaching/learning facility;**
 - (vii) numbers of students in class;**
 - (viii) instructional modes, including requirements for alternate delivery;**
 - (ix) availability of time for the faculty member's professional development;**
 - (x) previously assigned schedules;**
 - (xi) lead time for preparation of new and/or changed schedules;**
 - (xii) availability of current curriculum;**
 - (xiii) students with special-needs accommodations;**
 - (xiv) students whose first language is not the language of instruction;**
 - (xv) introduction of new technology;**
 - (xvi) the timetabling of workload, including changes to the length of the course;**
 - (xvii) level of complexity and rate of change in curriculum;**
 - (xviii) requirements for research;**
 - (xix) required translation of materials;**
 - (xx) mentoring of faculty;**
 - (xxi) nature of professional services provided including, psychological counselling, vocational or career counselling, educational counselling, or accommodation services;**
 - (xxii) time required to develop or review a workshop or therapeutic group;**
 - (xxiii) availability of current workshop or therapeutic group material;**

(xxiv) level of clerical support in preparing files, workshop material, publicity, and other related tasks associated to assigned activities

11.01 B 2 A "teaching contact hour" is a College scheduled teaching hour assigned to the teacher by the College. **Teaching contact hours shall correspond exactly to the number of hours in the program of instruction.**

This ensures all hours of instruction are accounted for on the SWF.

11.01 B 3 **A counselling contact hour includes client appointments, groups, workshops, hallway events, classroom presentations, consultation meetings and providing training.**

Defines and standardizes contact hour for

11.01 C 1 Each teaching contact hour shall be assigned as a 50 minute block plus a break of up to ten minutes.

Counsellors.

The voluntary extension of the teaching contact hour beyond 50 minutes by the teacher and any student(s) by not taking breaks or by re-arranging breaks or by the teacher staying after the period to consult with any student(s) shall not constitute an additional teaching contact hour.

No change to language, this reflects new numbering.

11.01 C 2 **For counsellors, new client contact hours will be adjusted as deemed appropriate by the counsellor in order to allow time for the scheduling of follow-up appointments for students in their caseload. "New client contact" is a client they are seeing for the first time.**

Allows for adequate follow-up with students.

11.01 D 1 Weekly hours for preparation shall be attributed to the teacher in accordance with the following formula:

TYPE OF COURSE	RATIO OF ASSIGNED TEACHING CONTACT HOURS TO ATTRIBUTED HOURS FOR PREPARATION
Online	1 :1.60
Hybrid/Blended	1 :1.35
New	1 : 1.10
Established A	1 : 0.85
Established B	1 : 0.60
Repeat A	1 : 0.45
Repeat B	1 : 0.35

Provides adequate preparation time for online or hybrid/blended courses.

Special A	as indicated below
Special B	as indicated below

11.01 D 2 No more than four different course preparations shall be assigned to a teacher in a given week except by voluntary agreement ~~which shall not be unreasonably withheld.~~

Simplifies the language and enhances understanding.

11.01 D 3 For purposes of the formula:

(i) "Online" refers to a section of a course which the professor delivers entirely online or through e-learning (i.e., there is no face-to-face instruction of students).

Defines "Online" and "Hybrid/Blended" course delivery.

(ii) "Hybrid/Blended" refers to a section of a course which the professor delivers partly through face-to-face instruction and partly through other means.

(iii) "New" refers to the first section of a course which the teacher is

- teaching for the first time. (This definition does not apply to a new full-time teacher who has previously taught the course as a ~~Partial-Load, Sessional or Part-time~~ **contract or sessional** employee **member**, nor to courses designated as "Special" as defined below); or

- teaching for the first time since a major revision of the course or curriculum has been approved by the College.

(iv) "Established A" refers to the first section of a course which the teacher has previously taught but not within the previous three academic years.

(v) "Established B" refers to the first section of a course which the teacher has taught within the previous three academic years.

(vi) Where a non-language course is to be taught in more than one language the first section taught in a second language shall be regarded as "New" or "Established".

(vii) "Repeat A" refers to another section which the teacher is teaching concurrently with the same course for which hours of preparation have been attributed under "New" or "Established", but to students in a different program or year of study.

(viii) "Repeat B" refers to another section which the teacher is teaching concurrently with the same course for which hours of preparation have been attributed under "New" or "Established" or "Repeat A" to students in the same program and year of study.

(ix) "Special A" refers to sections of courses in which students may enter on a continuous intake basis or courses which have been organized into individualized self-learning packages.

The first section of a "Special A" course which the teacher has not taught before or which the teacher has not taught within the previous three academic years attracts the numerical value in "Established A" (1:0.85).

The first section of a "Special A" course which the teacher has taught within the previous three academic years attracts the numerical value in "Established B" (1:0.60).

Repeat sections of a "Special A" course attract the numerical value in "Repeat A" (1:0.45).

(x) "Special B" refers to preparation for sections of a course in which the objectives describe the students' application of knowledge in actual work settings.

The first section of a "Special B" course which the teacher has not taught before or which the teacher has not taught within the previous three academic years attracts the numerical value in "Established A" (1:0.85).

The first section of a "Special B" course which the teacher has taught within the previous three academic years attracts the numerical value in "Established B" (1:0.60).

Repeat sections of a "Special B" course attract the numerical value in "Repeat B" (1:0.35).

Additional time necessary to arrange and prepare for student placement in such learning situations shall be attributed on an hour for hour basis and recorded on the Standard Workload Form (SWF), as referred to in 11.02.

(xi) Hours for curriculum review or course development assigned to a teacher on an ongoing basis, in lieu of teaching or in a non-teaching period, shall be attributed on an hour for hour basis and recorded on the SWF.

11.01 E 1 Weekly hours for evaluation and feedback in a course shall be attributed to a teacher in accordance with the following formula:

RATIO OF ASSIGNED TEACHING CONTACT HOURS TO ATTRIBUTED HOURS FOR EVALUATION AND FEEDBACK

Essay or project	Routine or Assisted	In-Process
1:0.040 per student	1:0.015 per student	1:0.0092 per student

Updates EP factor to reflect the current realities of faculty workload.

11.01 E 4 The number of students in a course or section shall be determined initially by the College's planning estimates and recorded on the SWF as provided for in 11.02.

Allows for standard audit

The number of students in a course or section shall be reviewed after the enrolment audit dates **as set by the Ministry** and not later than the completion of the course or section or, at the request of the teacher, following the last day for withdrawal of registration by the student(s), and revised where appropriate.

dates across the system, which reduces confusion for all involved.

The number of students in a continuous intake program, course or section shall be reviewed every three months at the request of either the College or the teacher and determined as the weighted average of the number of students formally registered over the duration of the program, course or section. The weighted average shall be calculated by summing the number of formally registered students in each week of the program, course or section and then dividing the sum by the number of weeks in the duration of the program, course or section.

11.01 E 5 Daily counselling contact hours shall not exceed 5 hours.

Ensures appropriate Counselling workload, reflects common practice in most Colleges. Increases time available for out of class assistance and normal administrative tasks.

11.01 F 1 Complementary functions appropriate to the professional role of the teacher may be assigned to a teacher by the College. Hours for such functions shall be attributed on an hour for hour basis.

An allowance of a minimum of ~~six~~ **eight (8)** hours of the 44 hour maximum weekly total workload shall be attributed as follows:

five (5) hours for routine out-of-class assistance to individual students **three (3)** hours for normal administrative tasks **not including scheduled meetings.**

The teacher shall inform his/her students of availability for out-of-class assistance in keeping with the academic needs of students.

11.01 F 2 The attribution of **five (5)** hours of out-of-class assistance for students may not be sufficient where a teacher has unusually high numbers of students in his/her total course load. When a teacher ~~who~~ has more than 260 students in his/her total course load ~~considers that he/she will not have sufficient time to provide appropriate levels of out-of-class assistance,~~ the **supervisor** ~~teacher will~~ **shall** discuss the issue with ~~the~~ his/her supervisor **teacher**. Possible means of alleviating the concern should be considered **provided by the college** such as additional types of assistance being provided or additional hours being attributed. Failing agreement on how to best manage the situation the teacher shall be attributed an additional 0.015 hour for every student in excess of 260.

Clarifies that faculty are entitled to additional assistance or hours attributed in the case of being assigned more than 260 students.

New 11.01 G2 Additional complementary hours for out-of-class assistance shall be attributed where a teacher has students who require accommodations. The attribution of these hours shall be consistent with the following formula:

Students Requiring Accommodations Additional Complementary Hours

6 to 10

1 Hour

11 to 15

2 Hours

16 and above

3 Hours

Increases in students who require accommodations result in significant increases in the time that faculty members need to appropriately assist them.

For the purposes of this formula, a student requiring accommodations who is enrolled in more than one section on a teacher's SWF shall be counted separately for each section.

11.01 G 23 Where there are atypical circumstances affecting the workload of a teacher or group of teachers which are not adequately reflected in this Article 11, Workload, additional hours shall be attributed, following discussion between each teacher individually and the supervisor, on an hour for hour basis.

11.01 H 4 The employee may **shall** be reimbursed for costs associated with such professional development, as approved by his/her supervisor or other body established by the College to deal with allocating resources made available for this purpose.

Clarifies the language

11.01 I Teaching contact hours for a teacher in post-secondary programs shall not exceed 18 in any week. Teaching contact hours for a teacher not in post-secondary programs shall not exceed 20 in any week. **Counsellor and Librarian contact hours shall not exceed 25 in any week.**

Establishes the maximum number of contact hours per week for Counsellors and Librarians.

11.01 J 1 Notwithstanding the above, overtime worked by a teacher, **counsellor, or librarian** shall not exceed one teaching contact hour in any one week **or three total workload hours in any one week** and shall be voluntary.

Includes Counsellors and Librarians for compensation of overtime.

11.01 J 2 Compensation for overtime will be paid by the college to the faculty member as follows:

Formula for Counsellors and Librarians is based on established one for teachers.

- i. **In respect of teachers** such teaching contact hour agreed to in excess of the respective weekly teaching contact hour maximum shall be compensated at the rate of 0.1% of annual regular salary. Such workload hours agreed to in excess of the 44 hour weekly workload maximum shall be compensated at the rate of 0.1% of annual regular salary. Such overtime payments shall be for the greater amount but shall not be pyramided.
- ii. **In respect of counsellors and librarians such workload hours agreed to in excess of the 35 hour weekly workload maximum shall be compensated at the rate of 0.1% of annual regular salary.**

11.01 J 3 All such voluntary overtime agreements, ~~which shall not be unreasonably withheld,~~ shall be set out in writing on the SWF for that period by the College and filed with the teacher and the Union Local within ten days.

Clarifies the language.

11.01 J 4 Probationary teachers shall not be assigned teaching contact hours or total workload hours in excess of **42 hours** ~~the maxima~~ under any circumstances.

Enables a successful transition into the role of full-time faculty member for new faculty.

11.01 K 2 Weekly contact hours assigned to a teacher, **counsellor, or librarian**, by the College may be scheduled into fewer than five contact days and such compressed schedule shall be deemed to be five contact days.

Creates consistency among faculty.

11.01 L 2 ~~Every effort shall be made to ensure that w~~ Work will **shall** not be assigned to begin less than 12 hours after the end of the previous day's work assignment.

Clarifies the language.

11.01 L 3 **A teacher, counsellor, or librarian** ~~A teacher shall not normally be assigned work on calendar Saturdays or Sundays. Where a teacher, counsellor, or librarian voluntarily agrees~~ a teacher is assigned to work on a Saturday or Sunday, ~~the teacher~~ **they** shall be credited with one and one-half times the credit hours normally given for hours so assigned and attributed.

Creates consistency among faculty.

~~**11.01 L 4** A teacher, may agree in writing to waive the premium credits provided for in 11.01 L 3 for a specified period of time.~~

11.01 M Where a Union Local and a College agree in writing on terms governing workload assignments at the College, such agreements shall be binding on the College, the Union Local and the **teacher, counsellor, or librarian** teachers, and timetables shall be established in accordance with such local agreements.

Makes workload assignments consistent among faculty.

11.02 A 1 (a) **In respect of teachers, a SWF only shall govern the workload. In respect of counsellors and librarians, a written workload agreement only shall govern the workload.** Prior to the establishment of a total workload for any teacher, and the supervisor shall discuss the proposed workload with the **faculty member**:

Creates written workload for Counsellors and Librarians.

- i. **for teachers, the supervisor shall** complete the SWF, attached as Appendix I, to be provided by the College.
- ii. **for counsellors and librarians, the supervisor shall complete a written workload agreement that respects the provisions of this article.**

The supervisor shall give a copy to the teacher ~~teacher~~ **faculty member** not later than six weeks prior to the beginning of the period covered by the timetable excluding holidays and vacations. It is

recognized that if the SWF **or workload agreement** is subsequently revised by the College, it will not be done without prior consultation with the ~~teacher~~ **faculty member**.

(b) The College may, where a change in circumstances requires it, amend assignments provided to a teacher, **counsellor or librarian** after the original assignment, subject to the ~~teacher's~~ **faculty member's** right to refer any matter to the College Workload Monitoring Group (WVG) referred to in 11.02 B 1 and if necessary, the Workload Resolution Arbitrator (WRA) referred to in 11.02 E 1 and appointed under 11.02 F 1.

Creates consistency among faculty.

11.02 A 2 The SWF **or workload agreement** shall include all details of the total workload including teaching contact hours, accumulated contact days, accumulated teaching contact hours, number of sections, type and number of preparations, type of evaluation/feedback required by the curriculum, class size, attributed hours, contact days, language of instruction and complementary functions.

Includes the workload agreement for Counsellors and Librarians.

11.02 A 3 Following receipt of the SWF **or workload agreement**, the ~~teacher~~ **faculty member** shall indicate in writing on the SWF **or workload agreement** whether **they are** in agreement with the total workload. If not in agreement the ~~teacher~~ **faculty member** and the supervisor may add such other comments as is considered appropriate and may indicate in writing that the workload should be reviewed by the College WVG.

Provides access to WVG for Counsellors and Librarians.

11.02 A 4 In the event that the ~~teacher~~ **faculty member** is not in agreement with the total workload and wishes it to be reviewed by the WVG, the ~~teacher~~ **faculty member** must so indicate in writing to the supervisor within five working days following the date of receipt of the SWF **or written workload agreement**. The completed SWF **or written workload agreement** will be forwarded by the supervisor to the WVG within three working days from date of receipt from the teacher with a copy to be given to the teacher. Absent such indication, the ~~teacher~~ **faculty member** shall be considered to be in agreement with the total workload.

Creates consistency among faculty.

11.02 A 5

- a) The timetable shall set out the schedule and location of assigned workload hours reported on the SWF, on a Timetable Form to be provided by the College, and a copy shall be given to the teacher no less than two weeks prior to the beginning of the period covered by the timetable, which shall be the same period as that covered by the SWF.
- b) **For counsellors and librarians, a weekly schedule will be established based on the direct contact hours set out in the written workload agreement.**

Clarifies the weekly schedule for Counsellors and Librarians.

11.02 A 6

Creates consistency among faculty.

The discussion shall take place within 14 days after the circumstances

giving rise to the complaint have occurred or have come or ought reasonably to have come to the attention of the ~~teacher~~ **faculty member** in order to give the immediate supervisor an opportunity ~~to~~ **of adjusting resolve** the complaint. Partial-Load Salary will be prorated based upon the full-time salary scale.

Salary Scale Comments/Rationale:

2.25% per year keeps pace with increases in the cost of living in Ontario.

The addition of one step at the top of pay scale and removal of the lowest step moves our salary scale incrementally toward the mid-point between our two comparator groups (university professors and high school teachers). By 2020, the lowest maximum for university professors will be \$193,000.

Article 19

OTHER INSURANCE PLANS

Add Social Workers and Psychotherapists to Paramedical Coverage

Comment/Rationale:

This area of coverage needs improvement to deal with the high prevalence of mental health issues in the workplace. Psychotherapists now have a governing body. Psychotherapists and Social Workers are less expensive, and thus allow members to extend their treatment further. These treatment providers would be more accessible in remote or rural areas.

Extended Health Plan

19.01 A The College shall pay 100% of the billed premium of the Extended Health Plan for employees covered thereby and subject to the eligibility requirements of the Plan.

The Extended Health Plan shall provide for a combined maximum annual coverage for all covered paramedical services of **\$2000**.

Comment/Rationale:

The \$1,500 annual max has been in place for at least 10 years, so it should be increased as it is losing its value.

Dental Plan

19.02 D 4 Benefits under Schedules A, B and C are limited to a maximum of **\$2500** per annum for each beneficiary with no deductible (effective October 1, 1998).

Effective January 1, 2007 Effective January 1, 2018, this maximum will be increased to **\$3000** per annum.

19.02 E 2 Benefits under Schedule D are limited to a **\$3000** lifetime maximum per person covered regardless of age and 50% co-insurance.

19.02 F 3 Benefits under Schedule E are limited to a maximum of **\$3000** per beneficiary per calendar year with 50% co-insurance.

Comment/Rationale:

These maximums have been in place for a decade. They are losing their value and are due for an update.

Vision Care

19.04 The College shall pay 75% of the premiums for a Vision Care Plan providing coverage for full-time employees to a maximum of **\$500** each two years, per person 18 years of age and over, and **\$500** each one year per person under 18 years of age, for glasses, frames, contact lenses, and refractive surgery, subject to eligibility requirements and enrolment requirements. The balance of the premiums shall be paid by payroll deduction.

Comment/Rationale:

This maximum has been in place since 2008. It is losing its value and is due for an update.

The College shall pay 75% of the premiums for full-time employee's laser eye surgery providing coverage to a maximum of \$4500.00, per person, subject to eligibility requirements and enrolment requirements. The balance of the premiums shall be paid by payroll deductions.

Comments/Rationale:

Our benefits plan needs to be in-line with current corrective technology. Only \$110k worth of submissions for laser eye treatment were submitted in the last reporting period, a small amount comparatively. It may reduce eyeglass/contact usage.

Hearing Care Plan

19.05 The College shall pay 75% of the premiums for full-time employees for a Hearing Care Plan providing coverage to a maximum of **\$3500** each three years, per person, subject to eligibility requirements and enrolment requirements. The balance of the premiums shall be paid by payroll deductions.

Comment/Rationale:

Technology has advanced significantly but the coverage has not caught up with the required reimbursement levels. It has a high quality of life impact and low overall cost implications.

Definition of dependent(s)

Change the definition of dependent(s) in the contract and the booklet to read:

Your eligible dependent(s) are your spouse/partner, your children and your spouse/partner's children. Eligible children include adoptive children during the adoption probationary period, but exclude foster children. Dependents must be residents of Canada and/or the United States.

Comment/Rationale:

No other employer is taking the position that an adopted child cannot be put on member benefits until the six month probationary period is up. While this may affect few members, it has a significant impact on the quality of their home life and the health of their adopted child.

Retiree Life Insurance

Academic employees, upon retirement, shall be provided the option to select either the current Academic Life Insurance option, or the Life Insurance option available to CAAT Support and Administrative employees, at the respective insurance premium rates for their option.

Comment/Rationale:

It maintains the current life insurance benefit and rate structure for the Academic group, but allows an Academic retiree an additional option of having life insurance coverage beyond age 75 on the same basis as Support and Administrative retirees.

This is a no cost option to the employer, and in fact, may save the employer money on the active employee basic life insurance rates by improving the mortality experience due to less Academic retirees participating. At the same time, it provides for the ability for those Academic retirees who wish to maintain life insurance beyond age 75, to do so.

APPENDIX III

DENTAL PLAN

SCHEDULE E

Construction and insertion of Dental implants

Comments/Rationale:

Our benefits plan needs to be in-line with current corrective technology. This is not a new cost but adds this procedure to existing coverage.
